

# Greening Evelyn

Come and tell us what **you** think about improving and connecting the greenspaces in your local neighbourhood

- ✓ Love your local park, but have an idea on how it could be better?
- ✓ Want to see more trees and plants on your street?
- ✓ Wish that the route for your school-run was greener and easier to walk or cycle?

A group of organisations including Deptford Folk, steering group Everest, local Tenants and Residents Associations, the National Trust and Wonky architects are working together to map out a **greenspace masterplan** for connecting and improving parks and other green spaces in the Evelyn Ward

We would like to hear from as many residents as possible.

**Come along to one of our sessions to hear about the plans to Green Evelyn and share your thoughts and ideas.**
